Dear resident,

Proposed Highway Improvements – Additional Speed Cushions on Howard Lane and Moulton Lane

Kier Highways, in partnership with West Northamptonshire Council, have been commissioned to install additional Speed Cushions on Howard Land and Moulton Lane in Boughton.

The proposed works have been requested by Boughton Parish Council following the installation of a 20mph Zone and associated traffic calming features within Boughton Village. Please find included two drawings detailing the proposed Speed Cushion locations.

If you would like to comment on this scheme or require any further information, please contact boughtonqueries@kier.co.uk

All comments should be made by **Monday 4th May 2026**.

Yours sincerely,

A handwritten signature in black ink that reads "Tim Webb".
