

# Boughton Traffic Calming Scheme – Phase 2

## What's Happening?

### What:

Phased works to repair and improve key roads within Boughton.

*Progress to date* - area at the junction Humfrey Lane / Moulton Lane / Church Street has been improved using the Roadmender to treat this as emergency repair to ensure road safety.

### When:

Thursday 23<sup>rd</sup> July – Tuesday 25<sup>th</sup> August 2026.  
Works will take place only on weekdays (Monday to Friday).

Please see overleaf for a detailed programme of works included.

### Where:

Vyse Road, Howard Lane, Moulton Lane, and Humphrey Lane.

### Why:

Additional carriageway improvements and traffic calming measures within Boughton.

### Traffic Management:

To complete the works safely, the following temporary traffic management will be in place in stages.

- Road closures.
- Multi-way traffic signals.

### Residents/Businesses:

Residents and businesses will have access to their properties at all times, but will be required to follow diversion routes when place.

### Emergency Vehicles:

We will be unable to provide access through full road closures for emergency vehicles while resurfacing is taking place. Emergency service vehicles will be accommodated as far as possible at all other times.

### Pedestrians, Cyclists and Public Transport

No pedestrian routes will be affected. Public transport will be required to follow diversions.
